

GROUP MEMBER EVALUATION

Name of member being evaluated:

What did this group member do specifically to help prepare the project?

What, if anything, could he/she have done to improve his/her effort?

Were you pleased with this member's efforts?

Circle the appropriate level of the members' participation:

4	3	2	1
worked hard from start to finish	did the work but could have done more	did some work but should have done more	really didn't help the group enough
