

SELF EVALUATION

Name:

What did you do specifically to help prepare the project?

What, if anything, could you have improved about your efforts?

Were you pleased with your group's bridge? What did you like most about the bridge?

What did you like least about the bridge?

Circle the appropriate level to indicate your participation:

4	3	2	1
I worked hard from start to finish	I did the work but could have done more	I did some work but I should have done much more	I really didn't help my group at all
